It would be unfair to leave anyone out. That's why we're active almost everywhere around the globe. In fact, if penguins could bet, 10bet would be opening a branch in Antarctica. We're a fully licensed global brand. We're responsible, determined to do the right thing and serious about the health and wellbeing of our bettors. And we're itching to go. Always moving, evolving, changing. Keeping ahead of the curve. Savvy to the latest trends. We believe standing still hasn't gotten anyone anywhere.

# All the sports in one place.

10bet covers over 60 sports and thousands of betting markets — from major football finals to niche water-polo matches. We're far too modest to say it's one of the most action-packed, fast-moving sport betting offerings in the world. But, hey, it is.

# Promote yourself to 10bet promotions.

10bet's festive free bets goes like this: pick your scenario, bet £25 on any sport and get the £5 free bet if it happens. The set-ups are somewhere between nice and hilarious, each adds a pinch of excitement and a unique edge for the bettor.

# High gear betting options.

## Live bets

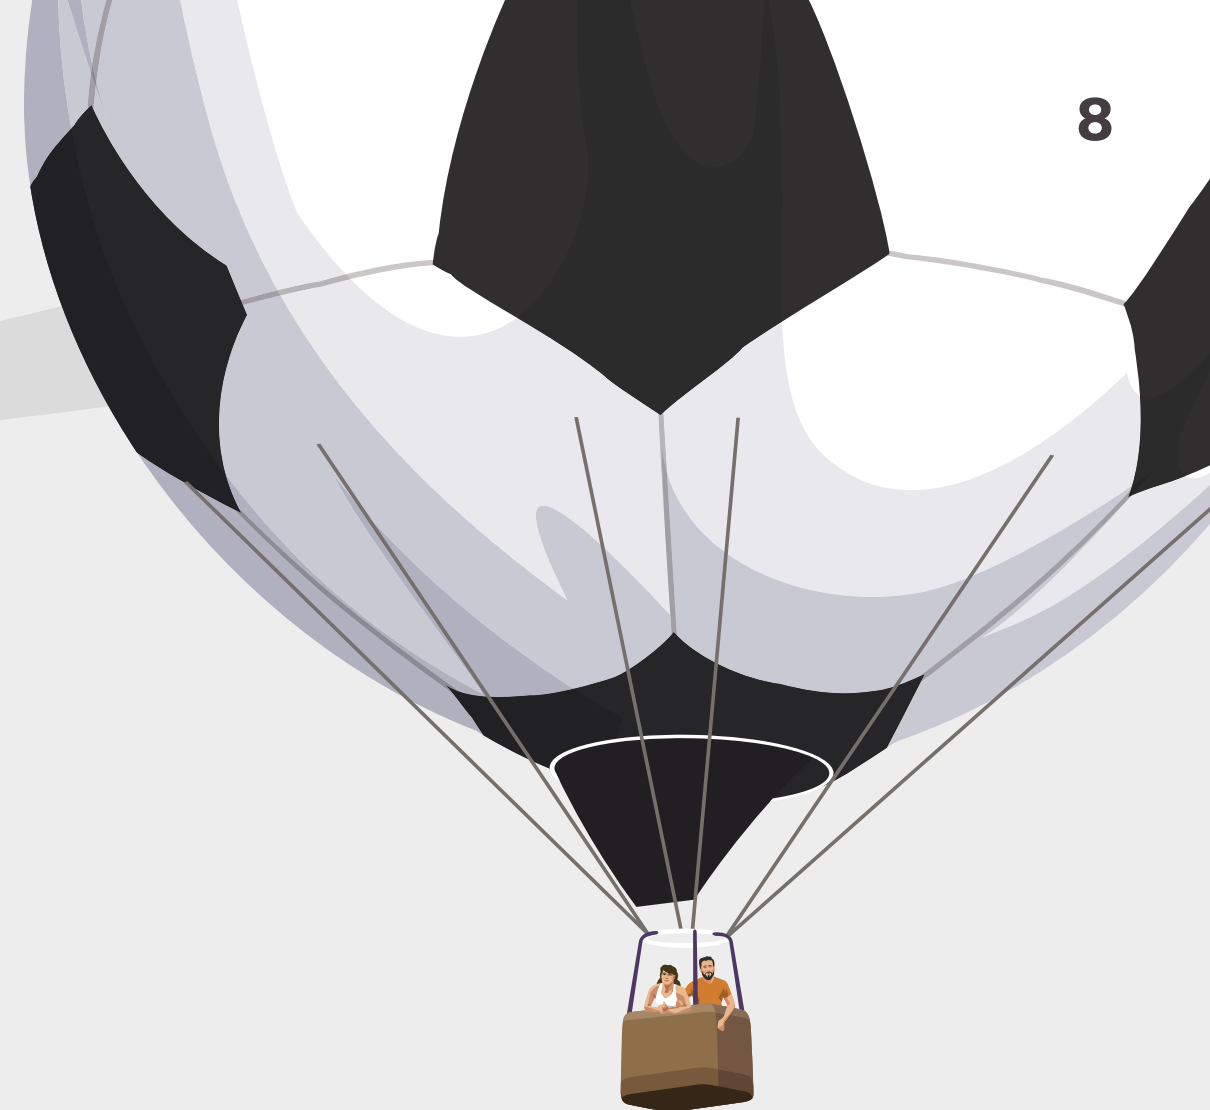

Our pre-match betting is awesome, but the real action starts when the whistle blows. Our in-play section offers around 100+ markets per game, with bets on almost anything, depending on the way things turn out. Our Bet Builder means you can combine bets and get multiplied odds. A bit like an acca bet, but without the sorry, 'this bet can't be placed' kind of thing.

## Cash out

Football is being played (you decide how many) minutes. We offer cash out whenever you want in all our live bets. There's no need to wait until the final whistle to celebrate your win.

## Acca boost

The ultimate bet for sports geniuses, and for those who don't really know what they're doing but have loads of luck. Get multiple bets right and win sky high sums – it's that easy. Well, OK, it's not "that easy", but we make it easier with 10bet acca offers, such as money back if one leg lets you down, and acca boosts that upgrade amazing wins to epic ones.

# Giddy-up them fingers.

## Neck or less free bet

Sometimes it feels worse to lose by a whisker than a mile. We get it. That's why we brought in our by-a-neck offer. Bet on any UK or Irish horse race, and if your horse is beaten by a neck or less, we'll refund your stake as a free bet of up to £10. Our pleasure, we hope you enjoy the ride.

## Best odds guarantee

It's annoying isn't it? You study the form, pick the perfect horse and place your bet. You're feeling pleased with yourself until the race starts, and you discover the odds have improved. Well, not with 10bet. If you bet on any UK or Irish race and the SP is greater than your bet price, we pay out at the higher odds. Just make sure you bet after 9am to qualify.

# The app that sticks.

10bet will appreciate you washing your hands before touching the 10bet app because the thing is brand new. We had an app which was really great, but then we decided that "really great" is boring and created the real deal. We love it. You'll love it too.
